Obedience to the moral laws
taught by the hereditary moral
teachers of a temple/chapel,
where gods and goddesses are
worshipped in "person", leads to
the "circumcision of the body".
This was also the basis of seventy
(7x10) religious people that Lord-
Bee, Jesus Christ sent to villages after
bestowing upon them the "tenth
religious quality, the Will" that
enabled them to possess the super-
natural powers. The destruction of
Jerusalem Temple in 70AD was
also based upon "His Word", that
says "Forgive your brother, seven
times ten".
