Obedience to the moral laws taught by the hereditary moral teachers of a temple/chapel, where gods and goddesses are worshipped in "person", leads to the "circumcision of the body". This was also the basis of seventy Jesus Christ sent to villages after bestowing upon them the "tenth religious quality, the Will" that enabled them to possess the supernatural powers. The destruction of Jerusalem Temple in 70AD was also based upon 'His Word', that says "Forgive your brother, seven times ten".

3 + 3 + 3 = 9 within the scope of religious person. The tenth, "WILL" bestowed by God only.
